Erin Damour met with our group to discuss her suggestions about the web site, a "scope of services" document and a contractor agreement. We talked about having an activities calendar and an email address for neighbors to direct comments and ask for help with problems that may arise in the neighborhood. The plan is to keep it simple and make it easy to contact the Board, find out about events and have access to the current newsletter. The contract and price were approved and Erin will have a "mock-up" in ten days or so. Chuck and Karl will sign the contract. The address is: www.netherwoodpark.org
