Ada Cutler walked in the Bernalillo County Courthouse on Jan. 14 1896 and purchased 158 acres for just \$1.25 an acre. She convinced her friends and fellow teachers, Martha Taylor and Alcinda Morrow to join her by buying land adjacent to hers. Today, your house or apartment is located on the land that these three friends purchased long ago.

Their story is an early chapter in the development of our neighborhood. Watch future issues of our newsletter for more stories of the people who spent time in our neighborhood.
