The **NPNA Board** met on May 8th at the home of Bill Gannon. Bill thanked Sara, Tony, Cheryl and Spencer for their participation in the Great American Cleanup event on Saturday, April 27th.

The Wednesday Night Netherwood Park Bites nights continue to be popular. Would you like some live music to go with that delicious food? The NPNA Board thought that you would and agreed to pay \$75 (capped at \$600 for the summer) to James Strange to assist with hiring bands to perform first Wednesday of each month.

Tony Prosser presented the **crime report** for April 10th through May 8th. There were thirty-five incidents during this twenty-nine-day period.

Bill Gannon is putting together an **Urban Forest Task Force**. Members would be neighbors who live near the Urban Forest Park and would regularly monitor the park and advise the NPNA Board on park problems and possible solutions. Bill and several neighbors recently met with APD Officer Nathan Bjork to discuss Urban Forest and other NPNA issues. Contact Bill if you would like to be part of this task force.

Chuck Maguire and Bill Gannon continue their efforts to create an effective **neighborhood watch** program for the NPNA area. Contact Bill at 249-7906 if you would like to serve as a block captain.

The NPNA Board did not receive any new information on the following important projects:

- The old Kmart Building. No new meetings are scheduled at this time.
- The old Alpine Sausage building. No news to report.
- Indian School Narrowing Project: No updates. Bill will contact Policy Analyst Diane Dolan of City Councilor Benton to see if there are any new developments.
