Updates

NPNA Bylaws

Susan Bennett and Bill Gannon are taking this "down" time to update the NPNA bylaws both in an electronic format and to modernize for unplanned emergencies and shutdowns. Once a draft is finished, proposed changes will be presented to the Board. After the Board's review, a final draft will be presented to the membership for discussion and adoption.

Indian School Road & Old Kmart Site

The Board is staying in close contact with Councilperson Ike Benton and developers (respectively) in monitoring progress for changes to traffic on Indian School and the development of the old Kmart site, respectively. Nothing new to report at this time.
